Looking for a good burger while in Las Vegas?...visit Broadway Burgers in the New York New York Hotel Casino.

My wife and I found this place while on our honeymoon, and keep going back for more. It is amazing how good the food is for the price. Combo #1 is a Double Bacon Cheese Burger with a cup of fries and a 20oz. soft drink for \$5.95. That is unheard of on the Strip.

If burgers are not your thing, they also have a patty melt meal, Philly cheese steak sandwich, foot long hot dog, grilled chicken sandwich, and chicken fingers.

The setting of the restaurant is that of a New York outdoor cafe. Order your food in one line, pick it up at the next counter, and grab a seat. If there is more than one of you eating have the other person (s) grab a table while you order the food. There are a lot of places around there, like Ben and Jerry's Ice Cream, that use the same tables.
