A sensational action buffet featuring Italian, Mongolian, Barbecue, American, Seafood, Mexican and Chinese cooking stations. You won't want to forget dessert, because this Buffet also features an oversized dessert bar! Just north of the Las Vegas Strip lies the Orleans casino, with one of the best buffets in Las Vegas.

This buffet features food from around the world, and I particularly like the Mexican food they serve. It is better than some of the sit down Mexican restaurants.

Sunday brunch has to be my favorite, offering breakfast items as well as lunch items. You just can't go wrong.

For those of you that like seafood then Monday night is perfect. At just \$15.95 you can have all the shrimp you can eat.

Wednesday is steak night where for \$12.95 you can eat all the steak you want that is cooked to your likings. A definite plus in my book.
