If you are looking for a great vacation for the money then Las Vegas is for you. I have known people that only use their hotel rooms to shower, and store their clothes...no need for sleep here.

No matter what time of day you are up there is always something to enjoy in Las Vegas. Are you an early riser? Try one of Las Vegas' many buffets. Most hotel buffets offer an assortment of made to order entrees like omelets, and some even offer steaks grilled to your liking. During the day if you aren't in the casinos there are a ton of attractions to do and see. Get a bird's eye view of the Las Vegas Strip from atop the The Eiffel Tower, go shopping at the many casino malls like the Grand Canal Shoppes at the Venetian, or go on a thrill ride like Speed - The Ride at the Sahara.

If you are a night owl then you came to the right place. Las Vegas is host to the most lavish nightclubs in the world. Venus Lounge at the Venetian, celebrates all that Las Vegas is: bright lights and wild nights, or party in the sky on the 55th floor of the Palms hotel at the Ghost Bar. Want to see some skin while in Las Vegas?... check out The Leopard Lounge Strip Club, perhaps the best-designed club in Vegas.

Las Vegas offers so many things to do, and since nothing closes, you can see why Las Vegas gives you the best vacation bang for the buck.
